

BXB214 | CLASSIC COLLECTION

Cyclone[®]
Breathe Better

Insert

The three speed control is located on the underside of the BXB214 for easy access and control. The range hood cannot be seen from eye-level, allowing you to arrange your cabinets as though there were no fan, creating a fluid and classy look. Baffle filters efficiently filter the air while bright LED light bulbs provide all the illumination you'll need. Another innovative design unique to Cyclone.
